

Network Services Onboarding Lite

The Lite onboarding package is designed to give you the knowledge and initial support you need to start your journey with Fastly, setting you up for success in configuring and implementing Fastly services on your own.

Dedicated solutions engineer support

- ✓ Focus on the pre-planning phase
- ✓ Tailored approach
- ✓ Efficient onboarding

Onboarding Process & Kickoff Call

- Participate in a 30-60 minute onboarding call with a Fastly Solutions Engineer
- Discuss deployment options and best practices for your needs

Fastly Training

- Receive a 90-minute training session from a Fastly Solutions Engineer
- See a live demo of the Fastly UI
- Get a walkthrough of request and response flow through Fastly
- Learn best practices and potential caveats
- Discover learning resources and support methods
- Enjoy 15 minutes for live Q&A

Check-ins

- Three check-in calls over 6 weeks
- Opportunity to discuss onboarding assistance with your assigned Solutions Engineer
- Pre-planning Phase Focus:
- Benefit from architecture review
- Receive comprehensive training
- Have regular check-ins for ongoing support
